## National Terrorism Advisory System

# **SITUATION SUMMARY**

## **Cal OES Activation Status**

### **State Operations Center**

Normal Operations

### **Inland Region EOC**

Normal Operations

### **Coastal Region EOC**

Normal Operations

### **Southern Region EOC**

Normal Operations

#### **Cal OES INLAND REGION**

- Nothing Significant to Report

#### **Cal OES COASTAL REGION**

##### **College Football National Championship Game Weekend, Santa Clara County**

Santa Clara County will host the College Football National Championship game on 01/07/19 at Levi's Stadium. Events related to the football game began across the county on 01/04/19 and will continue through 01/07/19.

- There are no requests or unmet needs

#### **Activations**

- City of San Jose EOC is activated at Level 2 or duty officer monitoring status through 01/07/19
- City of Santa Clara EOC will activate at Level 2 or duty officer monitoring status on 01/07/19
- Santa Clara County Environmental Health will activate on 01/07/19
- Santa Clara County EOC is not activating unless need arises (22 positions can be filled if necessary)

#### **Deployments**

- 1 Cal OES Coastal Region ESC will respond to Santa Clara County EOC only if activated
- 1 Cal OES Coastal Region ESC / Duty Officer will be monitoring the event as well as social media and WebEOC.

#### **Cold Weather Event, Coastal Counties**

A series of winter storms will continue to impact the region. Humboldt, Marin, San Mateo, Santa Clara and Mendocino counties have activated their cold weather response plans and opened additional beds in shelters and/or warming centers in response to cold overnight temperatures. Social media is being used to alert many communities of the extended hours for shelter beds and warming centers.

- Cal OES Coastal Region continues to monitor the weather situation and Operational Area activities.

# **SITUATION SUMMARY**

## **Cal OES SOUTHERN REGION**

### **Mudslide, State Route 1, Ventura County and Los Angeles County**

At 2008 hours on 01/05/2019, the California State Warning Center (CSWC) was notified by CalTrans that mudslides occurred on State Route 1, Pacific Coast Highway. The route is currently closed from Encinal Canyon Rd in Malibu to 4.2 miles south of Oxnard at Las Posas Rd.

- Route is not expected to reopen until at least 01/07/2019.
- Highway 101 is currently being used as a detour.
- No requests for state assistance have been received.

# **FIRE ACTIVITY**

## **Cal OES Fire Preparedness Levels**

<b>National</b>	<b>Northern California</b>	<b>Southern California</b>
<b>Preparedness Level 1</b>	<b>Preparedness Level 1</b>	<b>Preparedness Level 2</b>

**Please note: The National and Regional Preparedness Levels are maintained by the National Multi-Agency Coordination (MAC) Group and are separate from Cal OES activation levels.**

### **Cal OES EMAC Missions**

- **2018-SOC-56618:** California requested Animal Health Subject Matter Experts to provide animal shelter assistance to Butte County.
  - 9 Animal Subject Matter Experts from Texas are on scene providing support to Butte County.
- **2018-SOC-56344:** California requested Public Assistance Coordinators to assume the role of Program Delivery Managers (PDMG) and assist Cal OES with utilizing FEMA's program delivery system.
  - 2 Public Assistance Coordinators from Louisiana are on-scene providing support in Northern California.
  - 2 Public Assistance Coordinators from Louisiana are on-scene providing support in Southern California.
- **2018-SOC-54345:** California requested Individual Assistance Subject Matter Experts to provide assistance in Northern and Southern California.
  - 1 Individual Assistance Subject Matter Expert from Minnesota arrived in Southern California on 01/02/19 for his 2nd deployment and is on scene.
- California continues to seek recovery resources through the open EMAC Requests for Northern and Southern California.

# MAJOR ROAD / HIGHWAY / BRIDGE CLOSURES

Major Road Closures		
Northern California	Central California	Southern California
No Lifeline Route Closures	No Lifeline Route Closures	No Lifeline Route Closures

## Lifeline Routes

- There are no Lifeline Route closures.

## Non-Lifeline Routes:

- At approximately 1928 hours on 01/05/19, State Route 1 was closed from Encinal Canyon Road in Malibu to Las Posas Road, around 4.2 miles south of Oxnard, due to a mudslide. A detour has been established using Highway 101.
- Click [here](#) for a list of current road closures.

## Wildfire Closures:

- There are no wildfire closures.

## Emergency Center Activations:

- The Caltrans District 8 Emergency Operations Center (EOC) was activated at Level 3 on 01/05/19 due to winter weather conditions in San Bernardino and Riverside Counties. The EOC deactivated at 0705 hours on 01/06/2019.

# WEATHER OF CONCERN

## NORTHERN CALIFORNIA

- Heavy snow is making travel difficult across northern Sierra and southern Cascades as the series of storms makes their way across northern California, which will continue through Wednesday.
  - Sunday afternoon through Monday: A second storm with additional, and potentially heavier, rain, wind and mountain snow.
  - Tuesday / Wednesday: A third storm with additional rain and wind.
  - Snow is starting to accumulate at 2300 feet impacting I-5 at Dunsmuir.
- Winter Storm Warnings are in effect through Monday morning for portions of northern and northeastern California.
- [A Back Country Avalanche Warning is in effect for Nevada, County, Placer, El Dorado and Alpine Counties from 1200 hours, 01/06/19, through 0700 hours, 01/07/19.](#)

## SOUTHERN CALIFORNIA

- A moderate winter storm system will bring a band of showers and snow to southern California this weekend, with the brunt of the rain occurring between midnight and noon Sunday.
  - Heavy rain may cause debris flow concerns on recent burn scars.
  - Some localized rock falls and mud flows are possible.
  - Storm totals are 0.50 – 1.00 inches along the coasts and valleys, 1.00 – 1.50 inches in the foothills and mountains.
  - Snow accumulations are 4 – 8 inches above 4,500 feet with localized 12 inches above 7,000 feet.
  - Rainfall rates are up to 0.50 inches to 0.75 inches per hour

### **Active Weather Warnings, Watches and Advisories by County:**

- <http://www.wrh.noaa.gov/hazardSummary/?state=ca&bycounty=1>

# Key Points

01/06/19 - 01/12/19

## Sunday-Monday

- Significant mountain travel impacts over the Sierras
  - Winter Storm Warnings and Winter Weather Advisories in effect for elevations above 3500 ft in the Sierra Mountains through Monday morning.
  - Several feet of snow expected across the Sierras by Monday morning.
  - Snowfall rates of 2 inches per hour likely combined with strong winds will create blizzard-like conditions at times across mountain passes.
  - Gusty winds over the Sierra will cause areas of blowing snow and may cause downed tree branches
  - Wind Advisory in effect from through early Monday for coastal and inland parts of northern and central CA.
    - Gusts up to 50 mph possible today.

# Key Points

01/06/19 - 01/12/19

## Tuesday-Saturday

- Several more storm systems will move across the state bringing another round of valley rain and mountain snow midweek, and then again next weekend.
- The Tuesday/Wednesday storm is looking drier
  - Significant mountain travel impacts will be possible again over the mountains, but confidence is decreasing on significant impacts.
  - Debris flow rainfall rate thresholds not expected to be reached.
  - Drier conditions expected starting Thursday until late on Friday.
